- Distress Ink – Peeled Paint
- Distress Ink - Worn Lipstick
- Cut'n'dry Foam
- Cosmic Shimmer Watercolours Set 3
- Fine Paint brush
- Non-stick craft sheet
- Purple cows Duo Cutter
- Wave cut long decorative edge (set 2)
- Assorted Wire Pack
- Black pen
- Ruler
- Craft knife
- Photo
- Dries Clear Adhesive
- Foam pads

INSTRUCTIONS

- 1) Cut your sweet nothings paper to measure 20cm wide x 30cm long and fold in half to create a card blank
- 2) Cut another strip of the Sweet nothings paper to measure 20cm wide x 16cm long and fold in half
- 3) Cut another strip of the same paper to measure 20cm wide x approx 10cm wide but this time cut using the wave cut long decorative edge with your duo cutter.
- 4) Ink up the name, date stamp from the baby set with Black Archival ink and stamp onto your Wishing scrapbook paper
- 5) Draw a fancy edge around the stamp and cut out – use the picture above as a guide
- 6) Ink-up the pram, flower, bear and heart stamps from the baby set and stamp out onto white cardstock
- 7) Using Cosmic Shimmer Watercolours fill in the details
- 8) Cut out the images leaving a slight border all the way around
- 9) Ink up the teddy and stitched heart bear from the Bears set with black archival ink and stamp out onto white cardstock
- 10) Ink up the stamp again but this time stamp onto your non stick craft sheet, immediately lay your white cardstock over the top and wipe your hand over the back being careful not to move the cardstock, this will transfer the ink so the stamp is in reverse, it will be a little faint but do not worry we shall rectify that later on
- 11) Using the Cosmic Shimmer Watercolours fill in the details of the two bears
- 12) Using your black pen go over the lines of the reversed stamped image
- 13) Open up your card blank and mark the following points along the fold line: 4cms, 5cms, 7cms, 13cms, 15cms and 16cms
- 14) We are now going to create the pop-out sections using the 4cm mark cut a straight line 4cms above the fold line and 2cms below meaning your cut will be 6cms altogether
- 15) Repeat this process for mark 5cm, 15cm and 16cm
- 16) Cut your sweet nothings paper to measure 20cm wide x 30cm long and fold in half to create a card blank
- 17) Cut another strip of the Sweet nothings paper to measure 20cm wide x 16cm long and fold in half
- 18) Cut another strip of the same paper to measure 20cm wide x approx 10cm wide but this time cut using the wave cut long decorative edge with your duo cutter.
