- Acetate
- A4 Cream Card
- Brown 12x12 Scrapbook Sally Card
- Purple Cow Cutter
- Eazi - Score Board
- Christmas Crystal Lacquer Set
- Heat Gun
- Dries Clear Glue & Metal Tip

INSTRUCTIONS

- 1) Fold a piece of A4 Cream card in half to make the base card.
- 2) Using the lines on your score board, create an octagon shaped base card and trim out.
- 3) Using the lines on your score board create a smaller octagon of brown card and attach to the front of your cream card with glue.
- 4) Ink up the best wishes stamp with the Walnut Stain distress ink and stamp around the edge of the cream card following the octagon shape. Remember to re-ink each time.
- 5) Ink up the teddy stamp and stamp down onto the acetate twice using Archival Black Ink Pad. Heat set for at least 30 seconds.
- 6) Turn over and apply the gold lacquer first to each teddy remembering to work in small circular movements.
- 7) Allow to dry then apply the red lacquer in the same way.
- 8) Allow to dry, then using a small amount of dries clear glue on the lacquered side attach to the front of your base card.
