

PartiCraft

Project Sheet:

Supplies needed for this project:

Perfect medium clear pad
Clear embossing powder
Black archival ink pad
Cosmic shimmer watercolours (bronze, rose hue, purple violet, jade green and yellow sun)
Black, blue, yellow aqua and white cardstock

INSTRUCTIONS

- 1) Stamp the large Queen block with black archival pad and emboss with clear embossing powder. Paint with cosmic shimmer watercolours (skin, bronze, clothing and hat, rose hue and purple violet and background jade green and yellow sun) cut out and apply sticky foam pieces to the back and set aside.
- 2) Stamp the small queen block with a clear perfect medium pad all over a piece of yellow card size 4" x 4 1/2" and emboss with clear powder. Mat on to a slightly larger piece of aqua card.
- 3) Next, stamp the large Queen block all over a piece of 5 1/2" x 6" blue cardstock using the clear perfect medium pad and emboss again with clear embossing powder. Mat and layer on to black card.
- 4) Assemble the card by attaching the yellow section on to the blue background with double-sided sticky tape (easilift tape) and finally attaching the centre focal queen block that you have decorated with cosmic shimmer watercolours in the centre and you are finished!
