## Project Sheet:

### **What you need:**

- Jitterbugs set of unmounted rubber stamps
- Cosmic shimmer watercolour (black pearl)
- Perfect Medium Clear embossing pad
- Archival ink pad (black)
- Black, white, hot pink cardstock
- Black and white ribbon
- Sticky mounting foam tape
- Small piece of silver wire

### **INSTRUCTIONS**

Stamp spider from the Jitterbug collection on white cardstock. Then stamp it again and cut out and paint the body only with cosmic shimmer watercolour (black pearl). Mount atop original stamped spider with foam mounting pads. . Mat and layer with a slightly larger piece of black cardstock, then a larger piece of hot pink cardstock. Attach a piece of silver wire to the spider so it appears as if it is suspended by it. Secure to the back of the mounts and layers. Set aside.

Stamp the large spider web randomly all over a 5" x 6" piece of black card stock using a clear perfect medium pad. Sprinkle with white embossing powder, tap off and emboss. Mat with hot pink card, then a slightly larger piece of white cardstock, then finish by matting with black cardstock. Tie a black and white piece of ribbon around the piece about 1/4<sup>th</sup> the way from the bottom. Attach sticky mounting foam to the piece finished in step 1 and attach over the spider webs to the right side of the card.

Stamp the sentiment on hot pink cardstock using a clear medium pad and emboss with white. Mount on to black cardstock then on to white cardstock and mount using sticky foam mounting tape off the edge of the piece with the spider and you're finished.
