

PartiCraft

Project Sheet: Sweet Pea

What you need:

- 2 x Sweet Pea Scrapbook Paper
- Distress ink – Dusty Concord
- Cut'n'dry foam
- 3D Lacquer Clear
- Photo (the one used in this project is 15cm x 18cm)
- Scissors
- Dries Clear adhesive
- Foam pads

INSTRUCTIONS

- 1) Lay your photo on the right-hand bottom corner and see which elements of the patterned paper you can cut around –by referring to the photo you will see we cut around the joy part of bundle of joy and a few of the flower petals
- 2) Using your second sheet of Sweet pea Scrapbook paper cut out some of the hearts, flowers and the Cutie-Wootie and Sweet Pea wording
- 3) Transfer some of the Dusty Concord distress ink onto your Cut'n'dry foam and ink the edges of all the elements you have cut out.
- 4) Arrange the elements around the edges of your photograph, when you are happy with the arrangement adhere the photo to the sweet pea paper
- 5) Adhere the elements to the photo and paper using dries clear adhesive and add some depth to a few of them by adhering with foam pads
- 6) Add 3D Clear lacquer to the Sweet pea Wording as well as the centre of some of the flowers and the swirl and set aside to dry
